

# Go!

Paul Rader, 1918

1. Down from the glo - ries of Hea - ven, Down to the world of woe;  
2. Out in the dark they are dy - ing, For them His life He gave;  
3. "Ut - ter - most part" is His or - der, Dare an - y an - swer no?

When there was no eye to pi - ty, Je - sus said, "I will go."  
Go, tell the lost of sal - va - tion, Give them a chance to live. Go, go,  
What will you do when you meet Him, If you re - fuse to go?

go, go, Leave what He asks you to leave; Pray for your part in the har - vest,

Give what He asks you to give.
