

Ask in faith

Traditional English Melody

**“Ask in faith,” the Jesus' dear Name
Bring your pleas before the throne;
As you trust, the Lord will whisper,
“See, my child, the work is done.”**

**“Ask in faith,” God waits to answer
Each petition, Spirit-wrought;
He will work in wondrous power,
Far beyond your highest thought.**

**“Ask in faith,” ’tis just the asking,
In a faith that dares to stand,
Full of joyful expectation,
With an open, outstretched hand.**

**“Ask in faith,” for God is waiting
For thy faith-filled, earnest prayer.
Faith delights Him; faith can touch Him,
Every moment, everywhere.**
